About This Game

How long have you developed your thinking and attentiveness? Today we will give you such an opportunity, as an interesting and attractive game appeared on our vast spaces, which allows us to poke our brains. Game aMAZE Lunar perfectly suitable not only for your children, but also the whole family.

Try to get through the tangled labyrinth. After exiting the labyrinth, you will move to a larger labyrinth, and this will continue until you can not get out of all the labyrinths.

In this game you need to lead a small lucky chinese coin through the maze. Coin should be delivered to the portal, but before that activate it, collecting all the pieces of Chinese Dragon.

The game has 6 kind of levels.

Levels became even greater, they became even more difficult and more interesting.

Not many maze games will create a whole new kinds of maze for you.

Use the keyboard arrow keys or W A S D button's to to navigate the different mazes.
Control changes from a set of WASD buttons to arrows when you click in the main menu on the buttons as WASD and arrows.
